ABOUT Me

Software Developer

Hi, I'm ROHITH KUMAR, a dedicated Web Developer with creative ideas in creating dynamic and responsive websites. I specialize in front-end frameworks like HTML,CSS,JS, Node js. I'm passionate about crafting user-friendly, visually appealing sites. When I'm not coding, I enjoy playing Kabaddi and experimenting with tranding & Investing new strategy. I'm excited to bring your next project to life with innovation and precision.I'm a trustworthy, creative and an effective communicator,I fondly anticipated working in a challenging yet rewarding organization to attain it's visions for personal growth
